Annual Invoice

March 2022

Dear NSSC Family,

Please join us on Saturday, March 26th from 4:00 PM to 7:00 PM to kick off the 2022 season! Payment for your 2022 dues will be accepted at the event and there will be a food truck on premises for all to enjoy.

Enclosed, you will find the calculation sheet for your 2022 pool membership. Increased operating costs and inflation have made it necessary to raise membership rates. This is the first increase we have had in eight years. These new rates are still approximately 25% lower than similar pools. We are confident that the North Star Swim Club experience is well worth the increased expense. Please consider paying your invoice by Venmo. Your prompt payment is appreciated. *You will be assessed a late fee of \$50 if we receive payment after March 31st, 2022.*

- Review your invoice and family information carefully, especially your e-mail address (this is the main form of communication). Email any changes to membershipnorthstarswimclub@gmail.com.
- Complete your information, sign and return. By doing so, you agree to the following:
 - That your family agrees to the **Operating Rules** established by the pool (Rules can be found at www.northstarpool.org/membership)
 - If you have a minor (ages 12-17) who will be coming to the pool without an adult, your child will abide by all rules and regulations adopted and published by North Star Swim Club relating to the operation and conduct of the pool and the use of the facilities provided. *Failure to do so may result in his/her exclusion from the pool and all facilities associated.*
 - **Photo Consent:** I hereby give permission for images of my family, captured during pool hours or events through video, photo and digital camera, to be used solely for the purposes of North Star Swim Club for advertising purposes only.

Pool Entry

When you enter the pool gate you need to stop at the front desk & sign in electronically with the guards. The guard will then look up your family name and membership information to confirm your membership status.

Guest Passes

Please bring your guest pass with you & sign the number of guests in the entry log on the same line as your family's name. Your guest pass will be punched **while you are still at the entry gate**. If you do not have the number of guest passes needed, you will need to either purchase a guest pass (\$25 for 10-person visits) or pay for your guest(s) at \$5/person. *If you do not have a guest pass and you do not have money to pay for your guest(s), they will be denied entry.* We offer Venmo as a payment option so you can easily purchase them!

Pool Schedule

Opening Day will be **Friday evening, May 27th**. As always, the schedule is subject to change based on the weather and scheduled special events. Changes to the schedule will be posted at the pool on the website or sent via e-mail.

"At a Glance" Operating Rules

Listed below are several important operating rules:

- **NO GLASS** is allowed near the pool or anywhere on the pool deck
- NO Food or Drink allowed in or near the pool
- ALL members must register themselves and their guest(s) before entering the pool. Only one registration per day is required. **The member must remain on the pool premises while the guest is in attendance.** • Pool privileges are granted only to those with dues and membership fees paid in full, and to their qualified guests.

We look forward to a GREAT 2022 Pool Season with our Pool Families!

Sincerely,

North Star Swim Club Board of Directors
